# Thank you!

Thank you so much for taking the time to consider Robe and Crown for your shop.

It means the world to me that you would welcome my art into your space and share it with the people you serve. Every piece was created with prayer, intention, and a desire to gently point hearts toward Christ and it's such a gift to partner with you in that mission. I don't take it lightly that you're opening your shelves to these offerings.

My hope is that these pieces would not only bless your shop but also bring encouragement to those who pick them up.

If there's ever a way I can support you, from helping you choose bestsellers for your audience to creating something special for your community, please don't hesitate to reach out.
